Jericho Road

Weekend Food Program

Each week of the year bags packed with food are distributed to hungry student and families in the Redmond School District. Jericho Road volunteers gather the food and deliver it to Redmond High School where the Leadership Class students pack the food bags. Our volunteers then deliver the bags to the schools. The food goes home with students to families where there may be younger brothers, sisters, grandparents, and extended family. In 2022, 1,408 food bags were delivered by Jericho Road

Jericho Table

Jericho Table provides free meals twenty-five nights a month to the hungry. We also provide showers, Mosaic Medical van, pizza nights, and fresh vegetables and fruits. People come to Jericho Table hungry, cold and alone. In 2022, 6,765 meals were served.

Housing Assistance

In 2022 Jericho Road successfully prevented 234 adults, including seniors, veterans, folks with disabilities and domestic violence survivors and 211 children from becoming homeless by providing rental or deposit support through the rough times.

Emergency Help & Camp Outreach Programs

Once a week at the Jericho Table and each Friday at the camps, the following items and services are distributed to those living on the edge. Showers, medical and dental services, sleeping bags, propane, tents, clothing, pet food, water, masks, hygiene kits, firewood and more.
