Jericho Road

Weekend Food Program

Each week of the year, bags packed with food are distributed to hungry students and families in the Redmond School District. Jericho Road volunteers gather the food, pack the bags and then deliver them to the schools where FAN Advocates distribute them to the identified students. In 2025, 2,124 food bags were delivered by Jericho Road.

Jericho Table

Jericho Table provides free meals 25 nights a month to the hungry. People are served a warm and nourishing meal and safe place to be together. 10,710 meals were served in 2025.

Housing Assistance

In 2025, Jericho Road received 205 requests for housing assistance and successfully prevented 313 adults, including families with children, seniors, veterans, folks with disabilities, domestic violence survivors and 239 children from becoming homeless by providing rental or deposit support to help them through rough times.

Emergency Help & Camp Outreach Programs

Once a week at the Jericho Table and each Friday at the camps, the following items and services are distributed to those living on the edge. Showers, medical and dental services, sleeping bags, propane, tents, clothing, pet food, water, masks, hygiene kits, firewood and more. A total of 2,589 individuals received this support in 2025.
